

PRP180

Powerful, Professional Cleaning

WORKS HARDER
LASTS LONGER
BUILT SMARTER

Numatic

Why Buy PRP180

Delivering the same high-performance, high-quality and long-lasting Numatic results as always...

Packed full of great features, providing powerful and professional cleaning from a high-efficiency, long-life 620W motor.

Enhanced Sustainability

Certified by SCS to contain a minimum of 42% recycled plastic*, using our innovative ReFlo Technology to reduce virgin plastic use without compromising on durability or performance. ReFlo Technology uses high-quality recycled post-industrial and post-consumer plastics across the Numatic range.

Key Features & Benefits

Works Harder

High-efficiency TriTex filtration, a multi-surface ProFlo floor tool, a 10m hi-vis cable and a durable stainless steel tube set combine for reliable, professional results.

Lasts Longer

Engineered for the long haul, with robust commercial-grade construction and a motor designed and tested beyond industry standards, backed by a 3-Year Commercial Warranty.

Built Smarter

Certified by SCS to contain a minimum of 42% recycled plastic*, including accessories.

Compact & Convenient

Equipped with a long cleaning reach, on-board tool storage, handy carry handle and stores neatly away.

Handy Cable Replacement

A unique system for quick and easy changing of cable, if damaged during use.

Easy, Clean & Safe Emptying

High-efficiency, triple layer HepaFlo filter bags.

A Tool for Every Job

Tackle hard-to-reach areas with the precision cleaning kit.

*This product meets all the necessary qualifications to be certified for the following claim: SCS RECYCLED CONTENT CERTIFIED
