

# TFS230

## 230MM FLOOR STRIPPER

Battery Powered

### The most robust floor stripper in its class

The Trelawny TFS230 features a compact, robust, and durable chassis, designed for easy transport with its removable handle and a user-friendly blade change system. Perfect for lifting vinyl flooring and carpet tiles, it is an ideal choice for small to medium-sized indoor renovation projects.

Making jobsites more flexible, the Trelawny VoltMax battery-powered Floor Stripper with optional high-capacity 5Ah 82V battery and dual-port charger, ensures longer runtime and quicker turnaround between charges.

### FEATURES

- Ergonomic height adjust.
- Simple blade angle adjustment.
- Easy to use with a simple On/Off switch system.
- Effortless replacement of chisel blades.
- High-power drive options –110 V & 230 V electric motors, or cordless 82V battery system.
- Rear kick plate for additional stability.
- Lightweight and durable, the Trelawny VoltMax Floor Stripper fits in a standard car boot for maximum portability.

### APPLICATIONS

- Removal of Lino, Carpet tiles, Vinyl and other floor coverings.
- Removal of backing adhesives and residues.

Linoleum Removal

Removing Tiles

Carpet Removal
